

Longest Student Health Center

MSU provides an excellent medical center for its students, staff and faculty. Read below to find out more.

“What is the Longest Student Health Center?”

MSU’s John C. Longest Student Health Center is a full-service medical clinic located right here on campus. The phone number for the Health Center’s front desk is 662-325-2431.

“Where is the Health Center located?”

The Health Center is located on Hardy Street, east of Mitchell Memorial Library and south of Simrall Hall.

“May I use the Health Center?”

Yes, you may. Enrolled students, their families, and MSU staff and faculty may all take advantage of the Health Center’s services.

“Will it cost a lot if I have to see a doctor at the Health Center?”

Doctor’s visits can be a little expensive in the United States, so if you have a small illness (such as a cold, sore throat, etc.), you may want to purchase medicine at the grocery or book store. If you have a more serious illness, however, it is important to see a doctor. Some of your medical costs may be covered by your student insurance. Supplies and medications are also available to purchase.

“May I get a prescription filled at the Health Center?”

Yes, you may. Two registered pharmacists are at the Health Center to help you. Contact the Health Center Pharmacy at 662-325-8205.

“What else may I do at the Health Center?”

You may pick up free information handouts and FREE condoms. They are available inside the health center’s main entrance. You do not have to give your name or speak to anyone. Just take what you want.
