Are you looking for an apartment off campus? Do you need to establish your electricity, water, or cable television? Read below to find some helpful information and phone numbers.

## ***“Where should I look to find an apartment off campus?”***

There are a number of sources you can check to help you find an apartment off campus. You can visit any apartment complex’s office during business hours to ask about renting. You will often find a sign on the complex property giving you the complex’s name and telephone number.

You can also find a list of property owners and their apartment complexes here:

## ***“Whom do I call to have my electricity turned on in my apartment?”***

If you live outside of the Starkville city limits, call  
Four County Electric Power Association  
662-324-2241

If you live inside the Starkville city limits, call  
City of Starkville Electric Department  
662-323-3133

Power companies require that you be at least 21 years old to establish an account. Your power company will require your proof of residence (your apartment lease) to establish your service address, your passport, a photo ID, and your mailing address. Your electricity deposit can be paid in cash, by check, or with your credit or debit card.
