

# Parking on Campus

Where can I park my car on campus?  
How can I get a parking decal, and how much  
will it cost?  
See below for information about parking  
on campus.

## ***“Can I park my vehicle on campus?”***

Yes, you can, but you will need to register your vehicle with MSU’s Office of Parking Services. All vehicles brought on campus must have a current decal.

## ***“Where is MSU’s Office of Parking Services?”***

Parking Services is located in the Roberts Building next to Burger King and MSU’s Laundry and Dry-Cleaners. The phone number for Parking Services is 662.325.3526.

## ***“How do I register my vehicle with Parking Services?”***

Parking decals are on sale all year round, and you can register your vehicle at any time. Get a parking registration letter from Amy, and then register your vehicle in person at Parking Services.

## ***“How much will a decal cost?”***

For commuter and resident students, one-year parking permits cost \$75.00.

For one semester only, a decal costs \$50.00.

For the summer semester only, a decal costs \$25.00.

## ***“Where can I park on campus?”***

MSU’s campus is divided into a number of different parking areas. When you purchase your decal, a Parking Services employee will tell you in which lots you can park and where they are located.

For a map of the parking areas on campus, check out

## ***“Where should I NOT park on campus?”***

Do not park on the grass, in areas marked with yellow, in areas not marked with parking lines, or in shuttle stops. Never park in handicap parking spaces (with blue lines) or in service parking areas (sometimes marked with the letter “S”). Always park your vehicle in the same direction as the flow of traffic.

## ***“When will my parking decal expire?”***

Parking decals expire on August 10th of each year. Remember to stop by Parking Services or go online to purchase a new decal before this date.
